FINE
INTERIORS

Tuesday 25 and Wednesday 26 June 2019

The painting depicts a village scene with several buildings. In the foreground, there's a stone wall and a path leading towards the buildings. The buildings have red-tiled roofs and some have arched doorways. The scene is set in early light, with soft shadows and a warm, golden light. The style is characteristic of the Bloomsbury Group, with visible brushstrokes and a focus on light and color.

The Hon. General Augustus Frederick Lake (1781-1808) was born in Aston Clinton, Buckinghamshire, the 2nd son of General Gerard Lake (1744-1808, Viscount Lake of Delhi, Laswary and Aston Clinton). The family were well-connected at Court and in 1790 George Lake was appointed Page of Honour to The Prince of Wales. He then followed a military career, serving with his father, both in Ireland and India. As a Major in the 94th Regiment of Foot he was seriously wounded at the Battle of Laswary, whilst ensuring his father remounted after his horse had been shot from under him. In 1808, as Lieutenant Colonel of the 29th Regiment of Foot, he landed on the Iberian Peninsula and was killed in one of the early Peninsular War engagements with the French at the Battle of Rolicia in Portugal on 17th August 1808, aged only 27. He was buried with his men, but there is a memorial plaque in Westminster Abbey commemorating his death.

With Hartnell and Eyre Ltd 1986.

Charles Weston (1731-1810), a Eurasian philanthropist, began life as a surgeon's apprentice and escaped capture at the Siege of Calcutta in 1757. He owed a debt of gratitude to John Zephaniah Howell who was one of 23 survivors of the Black Hole in 1756. Once Howell succeeded Clive as Governor, he supported Weston in the pursuit of his fortune. Weston was conspicuously generous in life and in death; he left a fund to give 'assistance and relief of families labouring under the pressing miseries of poverty, hunger, disease and other painful misfortune'.

Weston's epitaph read 'he was a striking example that character and refined sentiments are not confined to complexion or climate'.

This portrait appears on the cover of 'Poor Relations. The Making of a Eurasian Community in British India 1773-1833' by Christopher Howells, pub. Curzon 1996, a signed copy of which accompanies the painting.

The Bryan Steele Collection

LOTS 324-373

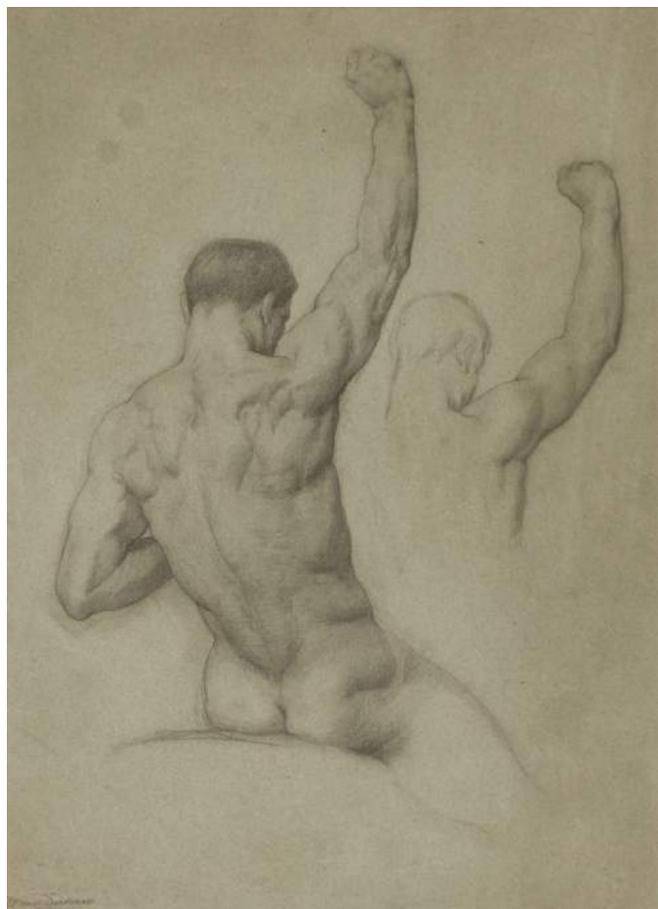

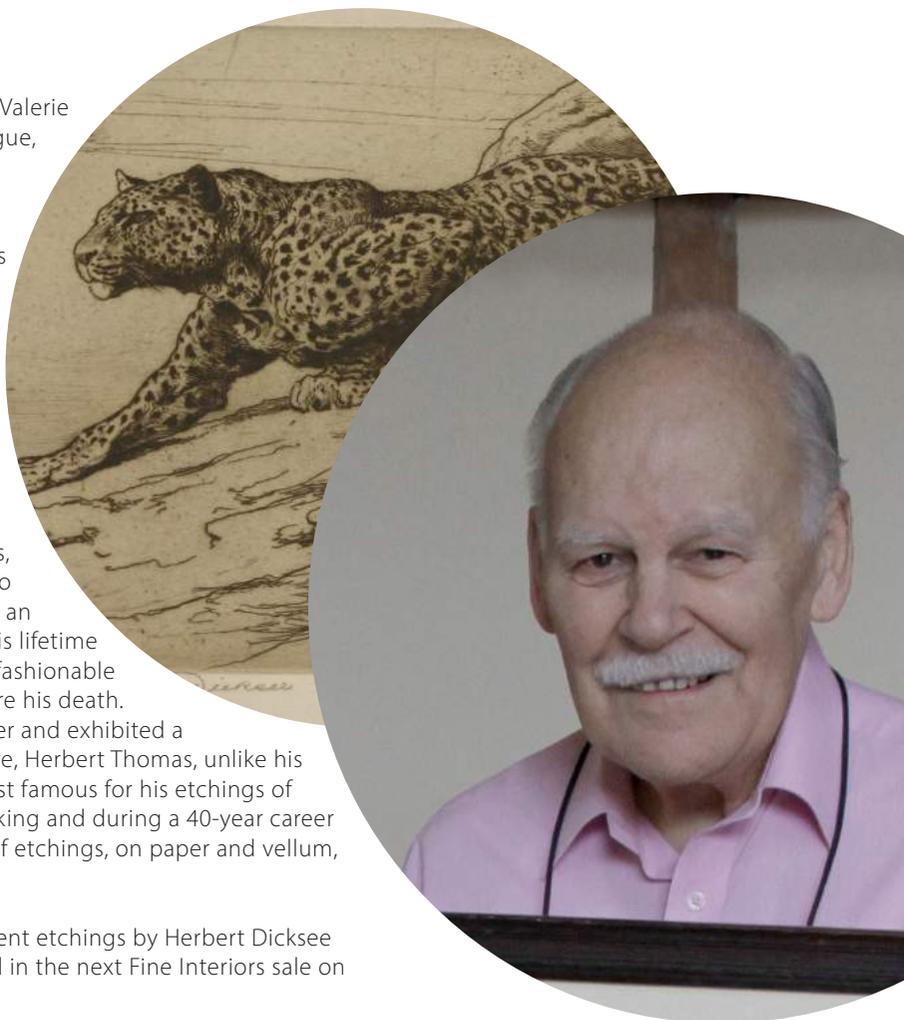

Sale of works by the Dicksee family of artists -
to include the Bryan Steele Collection of Etchings by Herbert Dicksee (Part 2)

We are delighted to be offering for sale property from the collections of Bryan and Valerie Steele. A variety of pictures and choice objects appear throughout the sale catalogue, including this is a section dedicated to works by the Dicksee family of artists.

This has been a special field of collecting interest for Bryan Steele, beginning some thirty years ago with a single, small etching of a sleeping puppy by Herbert Thomas Dicksee which he bought by chance at auction. With heightened interest, he began to acquire further examples of Dicksee's work and, as the years went by, amassed a remarkable and arguably unparalleled private collection of the artist's signed proof etchings. Many were purchased from the artist's family and art dealer.

Beyond his interest in Herbert Dicksee's etchings, Bryan turned his attention to other works by the artist and also on to the other four members of this talented family of London artists. Included in this sale are works by John Robert, Margaret Isobel and Frank Dicksee. John Robert (father) painted portraits and figure subjects, regularly exhibiting at The Royal Academy. Thomas Francis (John's brother) was also a noted artist and his son, Frank Dicksee, followed the family example of becoming an artist himself. Influenced by the Pre-Raphaelites, Frank achieved great success in his lifetime with his romantic, historical and figure subjects, and was a noted portraitist of the fashionable classes. He was elected as President of the Royal Academy in 1924, four years before his death. Frank's sister, Margaret Isobel, also followed her father's example becoming a painter and exhibited a number of works at the Royal Academy. Despite also painting some historical genre, Herbert Thomas, unlike his cousins, concentrated his main efforts on the art of animal painting, becoming most famous for his etchings of canine, wildlife and associated genre scenes. He was both industrious and painstaking and during a 40-year career created over 180 different etching plates. His published original signed artist proof etchings, on paper and vellum, and in particular high-quality limited editions, have enduring appeal.

Sworders are looking forward to offering Bryan's entire collection of 180-plus different etchings by Herbert Dicksee (on a quarterly basis) over the next 18-24 months. The Part 3 sale will be presented in the next Fine Interiors sale on 10/11 September.

 Inscribed verso 'Catawba Grape, Ohio,
 Longworth family', oil on canvas
 81 x 66cm
 £500 - 800

The Longworth family is closely associated with Cincinnati, Ohio and was founded by Nicholas Longworth (1783-1863), a banker and winemaker known as the 'father of American grape culture'. He planted a vineyard of the Catawba grape on the Ohio River outside the city and began making sparkling wine using the champagne method. Both still and sparkling wine were exported widely, from California to Europe, and his wines were also popular among the many German immigrants who were arriving in Ohio. The peak of its production was reached in 1859, but in the 1860s the vines were decimated by mildew and many vineyards were either torn up or abandoned with the advent of the Civil War.

The Barry and Betty Power Collection

Barry and Betty Power were married in 1952 and lived for many years in a Grade II listed half-timbered house in Worcestershire. Beginning with the inheritance of family heirlooms and the purchase, as they began their married life together, of a Charles II oak gateleg six-seater dining table, they were avid collectors for almost seventy years. Alongside their sterling work in the local community, this passion became their focus. They furnished their home with very good examples of their type through respected dealers in East Anglia and Warwickshire, such as Turpin Antiques, Thaxted; Saffron Walden dealer, Maureen Morris; Adams Antiques in Nantwich and Duncalfe Antiques, Rugby.

This Fine Interiors Sale features the Powers' Charles II oak dining table, purchased from Vesey Manor Antiques in 1955 for £30 and now estimated at £500-1000, alongside an array of the Powers' lovingly cherished Georgian and earlier formal and vernacular furniture. An 18th century oak and crossbanded lowboy bought for £145 from Sutton Coldfield dealer, Thomas Coulborn, is today expected to bring £400-600, while a Regency mahogany and rosewood banded sofa table, estimated at £1000-1500, was bought by the Powers in 1975 for £845.

Each carefully selected piece was placed alongside pearlware figures, pewter, brass and copper vessels, as well as 19th century rural landscape oil paintings. An early 19th century needlework sampler, worked by Elizabeth Cheetham, aged 11, with trees, deer and a verse within a maple frame, had been purchased from Saffron Walden dealer, Maureen Morris, in 1993 (estimate £200-400), while a picture of two ewes and a ram in a landscape, made entirely from grains of coloured sand, had been bought from dealer Sue Killinger in 2007 (estimate £500-800). The sand picture is in the manner of Benjamin Zobel (1762-1831) who is credited with introducing the technique into England using compositions taken from his friend, George Morland, and sand sourced at Alum Bay.

The pieces for sale provide a good reflection of Barry and Betty Power's shared love of fine quality English art and antiques.

The Barry and Betty Power Collection consists of Lots 489-500 (Paintings) and 501-548 (Furniture and Ceramics)

Sand Picture

£500 - 800

Benjamin Zobel began his career in the family confectionery business in Memminghorn, Bavaria. He studied miniature painting in Amsterdam for three years before moving to London where he was employed by Louis Weltge, the Prince Regent's pastry chef, 'Table Decker'. Table decking, introduced into England by George III, involved decorating the tablecloth with elaborate designs of coloured sands, marble dust, powdered glass or breadcrumbs. After a meal these were swept away.

A similar technique was employed in the creation of sand pictures - sand, or sugar, was applied to wood or plasterboard and fixed with glue to produce a more long-lasting creation. Zobel is credited with introducing the technique into England; his sand paintings featured wild animals, country scenes, occasionally still lifes and compositions taken from his friend, George Morland. The Isle of Wight and especially Alum Bay was a well-known source of sand.

THE LONDON AUCTION

WEDNESDAY 20 NOVEMBER 2019

Photographs
from the private
collection of
Christine Keeler

Coinciding with the launch of a new London Office in the heart of Leicester Square, Sworders are delighted to announce a very special auction to be held later in the year, celebrating the most iconic art, objects and imagery from across the capital. The sale is in the early stages of curation, however an array of exciting works have already been consigned, including an atmospheric William Turner de Londe oil, c.1830, of Waterloo Bridge, estimated at £6,000-8,000, a promotional 'London' tour poster from Punk Rock band The Clash, an extraordinary group of unpublished photographs of notorious socialite Christine Keeler (The Profumo Affair), paintings of royalty and early London Underground maps and posters. From medieval artefacts to contemporary art, this sale will wholeheartedly embrace the spirit and style of London!

Ahead of the sale, we talk to the specialist in charge, Mark Wilkinson

The London Auction will span a variety of art, antiques and collectables. What are you most hoping to consign for sale?

I would be delighted to source an early oil or watercolour of a London scene by a leading artist of the time. Early pictures are a joy to research and drafting the footnote for the work can be just as much fun. In a similar vein, I have a huge appreciation for early maps of London. As well as providing a fascinating insight to the history of our capital city, they work brilliantly as statement pieces in modern interiors. Top of my wish list though would have to be a London Routemaster bus. Introduced by London Transport in 1956, the original Routemaster serviced London routes right up until 2005. I have fond memories of travelling in to London from Bromley as a child with my 'red rover' bus pass!

Which artists do you consider to be quintessentially 'London'?

There are very few artists that are quintessentially "London", however the Norwich artist Edward Seago (1910-1974) did a great many works of London scenes, so his works would suit the look and feel of the sale perfectly.

The sale isn't all about paintings of course. There are also acclaimed photographers that have triumphed in capturing the spirit of London in their portfolios of work. Early 20th-century American photographer Alvin Langdon Coburn (1882-1966) shot striking photogravure imagery from elevated viewpoints in the city for his 'London' book, published in 1909. We currently have two of his works in the sale.

We also have a Swinging 60s section, so it would be great to see some of David Bailey's fashion shots from the decade!

Who do you think the sale will appeal to?

Most obviously, collectors of London memorabilia. However, with there being a large quantity of flat art in the sale, it should also appeal to interior designers and art buyers. We will be targeting the London investment banks and other financial institutions as they may wish to add to their collections. I have been involved with London-themed sales in the past and was astonished at the level of interest from overseas buyers including America, Asia and Australia. It seems everyone wants to get their hands on a little piece of London!

Closing date for entries Friday 13 September; enquiries to Mark Wilkinson - markwilkinson@sworder.co.uk

Morel & Seddon were the principal suppliers of furniture and furnishings to George IV (1762-1830) during his extensive refurbishment of Windsor Castle (1827-30). Their lavish interior decoration helped re-establish Windsor as both the principal seat of the British monarchy and the leading example of the national style. To achieve this, Morel & Seddon repurposed fine French and English eighteenth century furniture from George IV's previous residence, Carlton House, as well as supplying new pieces in styles ranging from Late Empire to Gothic Revival.

Morel & Seddon also supplied new furnishings for Windsor, ranging from armchairs, bookcases and cabinets to wall hangings and candelabra. In the process they collaborated with some of the finest craftsmen and designers of the day, including the Parisian cabinetmaker, FHG Jacob-Desmalter, and AWN Pugin. After three years, the partners produced a bill for their work which came to £203,963 6s 8d - the largest sum ever devoted to a single furnishing scheme in this country. However, a Parliamentary Select Committee strongly criticised the way the commission had been supervised and dramatically reduced the sum to be paid.

GLOSSARY OF PICTURE CATALOGUING TERMS

A work catalogued with the forename(s) and surname of a recognised destination of an artist is or is probably a work by the artist, eg. David Cox. Nevertheless, intending buyers are reminded that while a full designation is our highest category or authenticity, no unqualified statement as to the authorship is made or intended. A full cataloguing does not necessarily imply a full warranty.

Attributed to David Cox

in our opinion a work of the period of the artist which may be in whole or in part the work of the artist.

Circle of David Cox

in our opinion a work from the period of the artist and showing his influence.

Follower of David Cox

in our opinion a work executed in the style of David Cox

After David Cox

in our opinion a copy of any date after a work by the artist

Signed/inscribed/dated

in our opinion the work has been signed/inscribed/dated by the artist

Bears/with signature, inscription, date

in our opinion the signature/inscription/date are not by the hand of the named artist.

The addition of a question mark (?) after any of the above cataloguing terms indicates an element of doubt.

A work catalogued as 'School' accompanied by the name of a place or country and a date means that in our opinion the work was executed at that time and in the location, eg. South Netherlands School, circa 1750.

All references to signatures, inscriptions and dates refer to the present state of the work, ie. as at the time of inspection for the purpose of cataloguing.

Condition reports are not included in the descriptions.

ARTIST'S RESALE RIGHT (ARR)

What is Artist's Resale Right?

Following a European Directive in 2006, the Artist's Resale Right entitles creators of original works of art to a royalty each time their work is resold, with the involvement of an auction house, for 1,000 Euros or more.

This right covers sales of work by living artists and also the beneficiaries and heirs of artists deceased within the last 70 years of the sale.

How are resale royalties calculated?

The artist's royalty depends on the hammer price (sale price without any VAT or Buyer's Premium). The higher the sale price of the artwork, the lower the overall royalty rate.

The royalty is worked out according to a sliding scale from 4% to 0.25%.

Hammer Price	Royalty
From 0 to €50,000	4%
From €50,000.01 to €200,000	3%
From €200,000.01 to €350,000	1%
From €350,000.01 to €500,000	0.5%
Exceeding €500,000	0.25%

What is the qualifying threshold?

An artwork must sell for more than €1,000 to qualify for a royalty. The law defines the price threshold in Euros and, because the exchange rate between the two currencies changes daily, the equivalent in Pounds Sterling must be worked out according to the exchange rate on the date the artwork was sold.

What nationality must an artist be to qualify?

The Artist's Resale Right applies to the sale of artworks in the European Economic Area (EEA). The following countries are in the EEA:

Austria, Belgium, Bulgaria, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Slovak Republic, Slovenia, Spain, Sweden, United Kingdom.

Artists who are nationals of these countries are therefore generally eligible to receive resale royalties. The nationality criteria only applies to the artist and not to the beneficiaries or heirs.

Are all sales of artwork covered?

The Artist's Resale Right does not apply to all sales of artworks.

A royalty is only due if the following conditions are met:

- the artwork is a copyright protected work of graphic or plastic art;
- it is sold for more than €1000;
- it is sold in the secondary market with the involvement of an art market professional (e.g. auction house);
- and it is sold in the UK or another country in the European Economic Area (EEA).

This royalty, where applicable, will be charged to the purchaser. It is exempt of VAT.

A striped rug with blue, red, and yellow stripes runs down the center of the hallway. On the left wall, there is a framed portrait of a woman in a blue and yellow dress. The hallway leads to a bright yellow room at the end.

TERMS AND CONDITIONS

INFORMATION FOR BUYERS

Introduction

The following notes are intended to assist bidders and buyers, particularly those that are inexperienced or new to our salerooms. All of our auctions are governed by our Conditions of Business incorporating the Terms of Consignment (primarily applicable to sellers), the Terms of Sale (primarily applicable to bidders and buyers) and any notices that are displayed in our salerooms or announced by the auctioneer at the auction. Our Conditions of Business are available for inspection at our salerooms and the Terms of Sale are printed in the back of our auction catalogues. Our staff will be happy to help you if there is anything in our Conditions of Business that you do not fully understand.

Please make sure that you read our Terms of Sale set out in this catalogue or on our website carefully before bidding in the auction. If your bid is successful, you will be obliged to comply with our Terms of Sale.

Methods of Payment

Lots must be paid for before they are collected. For those attending the auction we ask that lots are paid for on the day of the sale. Methods by which we accept payment are detailed on our web site, including online payment upon receipt of your invoice, and these should be paid by 5pm on the Friday following the sale. We accept cash to an upper limit of 10,000 euros equivalent. We accept credit card payments to an upper limit of £5,000. Usually any cheques will need to be cleared before you can take the goods away.

Collection and storage

All lots should be paid for and collected by 5pm on the Friday following the sale. Commission bidders should check the success of their bids and arrange payment and collection within this time. Please note what the Terms of Sale say about collection and storage. Items not removed by 5pm on Friday may be removed at the purchaser's expense and storage charges of £10 as an administration fee and £2 per lot per day may be charged (plus vat). Please note that we will apply these charges strictly to Furniture purchased in our Homes and Interiors Sales.

Dispatch

We are rarely able to pack and dispatch purchases. A choice of shippers is detailed on our web site.

Agency

As auctioneers we usually act on behalf of the seller whose identity, for reasons of confidentiality, is not normally disclosed. If you buy at auction your contract for the goods is with the seller, not with us as auctioneer.

Estimates

Estimates are designed to help you gauge what sort of sum might be involved for the purchase of a particular lot. Estimates may change and should not be thought of as the sale price. The lower estimate may represent the reserve price (the minimum price for which a lot may be sold) and will not be below the reserve price. Estimates do not include the buyer's premium or VAT (where chargeable). Estimates are prepared some time before the auction and may be altered by a saleroom notice or announcement by the auctioneer before the auction of the lot. They are not definitive.

Buyer's Premium

The Terms of Sale oblige you to pay a buyer's premium at 23% on the hammer price of each lot purchased, except for our Fine Wine and Port auctions when it is 15%. In addition, VAT is charged on these premiums (see below).

VAT

Items in our catalogue may be marked with a dagger † or double dagger ‡, which indicates that VAT is payable by the buyer on the hammer price and the buyer's premium at either the standard rate (currently 20%) or a reduced rate (currently 5%), depending upon the legal requirements relating to that lot.

Lots which do not have either of the above symbols have no VAT payable on the hammer price. This is because such lots are sold using the Auctioneers' Margin Scheme. The VAT included within the premium is not recoverable as input tax.

Inspection of goods by the buyer

As we act on behalf of the seller, we are dependent on information provided by the seller about their goods. We may inspect lots and will act reasonably in taking a general view about them. However, we are normally unable to carry out detailed examinations of lots to check their condition in the way a buyer would do. You will have ample opportunity to inspect the goods. You must inspect and investigate lots that you might wish to bid for. **Please note carefully the exclusion of liability for the condition of lots set out in the Terms of Sale at clause 12.4.**

Condition Reports

We may be able to assist buyers unable to view by emailing a condition report, but these are based solely on our own opinion and are for guidance only and no responsibility is accepted for their accuracy. Intending buyers are strongly encouraged to view. Condition reports cannot be prepared on the day of the sale.

Electrical goods

These are sold as 'antiques' only. If you buy electrical goods for use you must ask a qualified electrician to check them for compliance with safety regulations before you use them.

Export of goods

If you intend to export goods you must find out:

- whether an export licence is needed; and
- if there is a prohibition on importing goods of that character e.g. because the goods contain prohibited materials such as ivory.

Bidding

Bidders will be required to register with us before the auction starts. We reserve the right to impose a deadline prior to the auction by which you must register or by which we must receive a commission bid. If you wish to bid on high value lots this deadline may be several days before the auction in order to allow us sufficient time to carry out the necessary checks. Lots will be invoiced to the name and address on the registration form. You will need to provide us with proof of your identity in a form acceptable to us and such other information as we may require. Please enquire in advance about our arrangements for telephone or online bidding. Please note that we may refuse to register you if you do not provide us with all the information and documentation that we ask for or at our discretion.

Commission bidding

You may leave commission bids with us indicating the maximum amount to be bid against a lot (excluding the buyers' premium and/or any applicable VAT). We will execute commission bids as cheaply as possible having regard to the reserve (if any) and competing bids. If two buyers submit identical commission bids we may prefer the first bid received (where this can be reasonably ascertained). We recommend leaving commission bids online via our website, though please contact us about leaving bids by telephone or fax/email. All absentee bids should be received at least 30 minutes before the auction commences; we cannot guarantee to execute commission bids received after this time.

Telephone Bidding

If you are unable to come to the auction it may be possible to bid on the telephone for higher value lots. Please note that this service is for lots with an estimate of £500 or more. The number of lines is limited so we would urge serious telephone bidding only and ask that you be prepared to bid over the top estimate. It is advisable to leave a maximum covering bid in case we are not able to contact you by telephone. All lines must be booked and confirmed in writing before the day of the auction and preferably some time in advance. Telephone bidding involves many variables and whilst we take every care to ensure the smooth operation of this service, we cannot be held liable if your bids are missed for any reason.

Online Bidding

Any lots purchased via a live online bidding service will be subject to an additional commission charge on the hammer price payable by the bidder, in accordance with rates specified by the online service. From 1 November 2018, these charges will be charged at 3% plus VAT while bidding via Sworders website. If bidding through the-saleroom.com this will be charged at 4.95% plus VAT. Both charges will be payable to us on top of the hammer price and our buyer's commission.

IMPORTANT NOTICES

Removal of lots

ALL lots are to be removed from the premises by **5.00pm at the latest on the Friday following each sale**. Sworders retain the right to remove lots remaining after this time into safe storage, for which a charge will be made.

Electrical Goods

All electrical goods offered in this sale have either been tested and certified safe or unsafe by an appropriately qualified electrician. All electrical goods certified safe must be re-commissioned by an appropriately qualified electrician and we recommend those certified safe are similarly re-commissioned.

Post 1950 Upholstered Furniture

All items of furniture included in this sale are offered for sale as works of art. The items may not comply with the Furniture and Furnishings (Fire) Safety Regulations 1988 and for this reason, they should not be used in a private dwelling.

Furniture made of Brazilian Rosewood (Dalbergia Negra)

To comply with CITES Regulations on Post-1947 furniture made of Brazilian Rosewood, all post-war rosewood furniture items have Article 10 certificates.

If you are purchasing rosewood furniture for commercial purposes and not solely for your own use, CITES regulations require you to obtain your own certificate. You would need to contact the Animal Health and Veterinary Laboratories Agency ('AHVLA') and, as part of the process of obtaining your document, it is a requirement that you have seen sight of the Sworders' certificate or are aware of its reference number.

It is therefore the responsibility of commercial buyers to ensure that they obtain a copy of the appropriate certificate, or the certificate reference number, after purchase from Sworders Fine Art Auctioneers. Items are marked with this sign §.

TERMS OF SALE

Both the sale of goods at our auctions and your relationship with us are governed by the Terms of Consignment (primarily applicable to sellers) the Terms of Sale (primarily applicable to bidders and buyers) and any notices displayed in the saleroom or announced by us at the auction (collectively, the 'Conditions of Business'). The Terms of Consignment and Terms of Sale are available at our saleroom on request.

Please read these Terms of Sale carefully. Please note that if you register to bid and/or bid at auction this signifies that you agree to and will comply with these Terms of Sale.

Please note that these Terms of Sale relate to auctions held at our premises only. We have separate terms for online only auctions.

2.1 A description of the main characteristics of each Lot as contained in the auction catalogue.

2.2 Our name, address and contact details as set out herein, in our auction catalogues and/or on our Website.

2.3 The price of the Goods and arrangements for payment as described in Clauses 4, 5, 7 and 8.

2.4 The arrangements for collection of the Goods as set out in Clauses 8 and 9.

2.5 Your right to return a Lot and receive a refund if the Lot is a Deliberate Forgery as set out in Clause 13.

2.6 We and Trader Sellers have a legal duty to supply any Lots to you in accordance with these Terms of Sale.

2.7 If you have any complaints, please send them to us directly at the address set out on our Website.

3. Bidding procedures and the Buyer

3.1 You must register your details with us before bidding and provide us with any requested proof of identity and billing information, in a form acceptable to us. You must also satisfy any security arrangements we have in place before entering the auction room to view or bid.

3.2 We strongly recommend that you attend the auction in person. You are responsible for your decision to bid for a particular Lot. If you bid on a lot, including by telephone and online bidding, or by placing a commission bid, we assume that you have carefully inspected the Lot and satisfied yourself regarding its condition.

3.3 If you instruct us in writing, we may execute commission bids on your behalf. Neither we nor our employees or agents will be responsible for any failure to execute your commission bid, unless our failure to do so is unreasonable. Where two or more commission bids at the same level are recorded we have the right to prefer the first bid made (where this can be reasonably ascertained).

3.4 The Bidder placing the highest bid for a Lot accepted by the Auctioneer will be the Buyer at the Hammer Price.

Any dispute about a bid will be settled at our discretion. We may reoffer the Lot during the auction or may settle the dispute in another way. We will act reasonably when deciding how to settle the dispute.

3.5 Bidders will be deemed to act as principals, even if the Bidder is acting as an agent for a third party.

3.6 We may bid on Lots on behalf of the Seller up to one bid below the Reserve.

3.7 We may refuse to accept any bid if it is reasonable for us to do so.

3.8 Bidding increments will be at our sole discretion (but will be in line with standard auction practice).

4. The purchase price

As Buyer, you will pay:

- the Hammer Price;
- a premium of 23% plus VAT of the Hammer Price or 15% plus VAT for our Fine Wine and Port Auction;
- any artist's resale right royalty payable on the sale of the Lot; and
- any VAT due.

5. VAT

5.1 You shall be liable for the payment of any VAT applicable on the Hammer Price and premium due for a Lot. Please see the symbols used in the auction catalogue for that Lot and the 'Information for Buyers' in our auction catalogue for further information.

5.2 We will charge VAT at the current rate at the date of the auction.

6. The contract between you and the Seller

6.1 The contract for the purchase of the Lot between you and the Seller will be formed after the hammer falls when the highest bid for the Goods at the auction is written into the Auction book by the Auctioneer.

6.2 You may directly enforce any terms in the Terms of Consignment against a Seller to the extent that you suffer damages and/or loss as a result of the Seller's breach of the Terms of Consignment.

6.3 If you breach these Terms of Sale, you may be responsible for damages and/or losses suffered by a Seller or us. If we are contacted by a Seller who wishes to bring a claim against you, we may in our discretion provide the Seller with information or assistance in relation to that claim.

6.4 We normally act as an agent only and will not have any responsibility for default by you or the Seller (unless we are the Seller of the Lot).

7. Payment

7.1 Immediately following your successful bid on a Lot you will:

7.1.1 give to us, if not already provided to our satisfaction, proof of identity in a form acceptable to us (and any other information that we require in order to comply with our anti-money laundering obligations); and

7.1.2 pay to us the Total Amount Due in any way that we agree to accept payment. Note there is an upper limit of 10,000 euros equivalent for payments in cash.

7.2 If you owe us any money, we may use any payment made by you to repay these debts.

8. Title and collection of purchases

8.1 Once you have paid us in full the Total Amount Due for any Lot, ownership of that Lot will transfer to you. You may not claim or collect a Lot until you have paid for it.

8.2 You will (at your own expense) collect any Lots that you have purchased and paid for not later than 5pm on the Friday following the auction.

8.3 If you do not collect the Lot within this time period, you will be responsible for any reasonable removal and storage charges in relation to that Lot.

8.4 Risk of loss or damage to the Lot will pass to you when you (or your agents) take physical possession of the Lot.

8.5 If you do not collect the Lot that you have paid for within thirty days after the auction, we may sell the Lot. We will pay the proceeds of any such sale to you, but will deduct any storage charges or other sums that we have incurred in the storage and sale of the Lot. We reserve the right to charge you a selling commission at our standard rates on any such resale of the Lot.

9. Remedies for non-payment or failure to collect purchases

9.1 Please do not bid on a Lot if you do not intend to buy it. If your bid is successful, these Terms of Sale will apply to you.

This means that you will have to carry out your obligations set out in these Terms of Sale. If you do not comply with these Terms of Sale we may (acting on behalf of the Seller and ourselves) pursue one or more of the following measures:

9.1.1 take action against you for damages for breach of contract;

9.1.2 reverse the sale of the Lot to you and/or any other Lots sold by us to you;

9.1.3 resell the Lot by auction or private treaty (in which case you will have to pay any difference between the price you should have paid for the Lot and the price we sell it for as well as the charges outlined in Clause 8.5). Please note that if we sell the Lot for a higher amount than your winning bid, the extra money will belong to the Seller;

9.1.4 remove, store and insure the Lot at your expense;

9.1.5 if you do not pay us within **five business days** of your successful bid, we may charge interest at a rate not exceeding 1.5% per month on the total amount due;

9.1.6 keep that Lot or any other Lot sold to you until you pay the Total Amount Due;

9.1.7 reject or ignore bids from you or your agent at future auctions or impose conditions before we accept bids from you; and/or

9.1.8 if we sell any Lots for you, use the money made on these Lots to repay any amount you owe us.

9.2 We will act reasonably when exercising our rights under Clause 9.1. We will contact you before exercising these rights and try to work with you to correct any non-compliance by you with these Terms of Sale.

10. Health and safety

Although we take reasonable precautions regarding health and safety, you are on our premises at your own risk. Please note the lay-out of the premises and security arrangements. Neither we nor our employees or agents are responsible for the safety of you or your property when you visit our premises, unless you suffer any injury to your person or damage to your property as a result of our, our employees' or our agents' negligence.

11. Warranties

11.1 The Seller warrants to us and to you that:

11.1.1 the Seller is the true owner of the Lot for sale or is authorised by the true owner to offer and sell the lot at auction;

11.1.2 the Seller is able to transfer good and marketable title to the Lot to you free from any third party rights or claims; and

11.1.3 as far as the Seller is aware, the main characteristics of the Lot set out in the auction catalogue (as amended by any notice displayed in the saleroom or announced by the Auctioneer at the auction) are correct.

11.2 If, after you have placed a successful bid and paid for a Lot, any of the warranties above are found not to be true, please notify us in writing. Neither we nor the Seller will be liable to pay you any sums over and above the Total Amount Due and we will not be responsible for any inaccuracies in the information provided by the Seller except as set out below.

11.3 Please note that many of the Lots that you may bid on at our auction are second-hand.

11.4 If a Lot is not second-hand and you purchase the Lot as a Consumer from a Seller that is a Trader, a number of additional terms may be implied by law in addition to the Seller's warranties set out at Clause 11.1 (in particular under the Consumer Rights Act 2015). These Terms of Sale do not seek to exclude your rights under law as they relate to the sale of these Lots.

11.5 Save as expressly set out above, all other warranties, conditions or other terms which might have effect between the Seller and you, or us and you, or be implied or incorporated by statute, common law or otherwise are excluded.

12. Descriptions and condition

12.1 Our descriptions of the Lot will be based on: (a) information provided to us by the Seller of the Lot (for which we are not liable); and (ii) our opinion (although it is likely that we will not be able to carry out a detailed inspection of each Lot).

12.2 We will give you a number of opportunities to view and inspect the Lots before the auction. You (and any independent consultants acting on your behalf) must satisfy yourself about the accuracy of any description of a Lot. We shall not be responsible for any failure by you or your consultants to properly inspect a Lot.

12.3 Representations or statements by us as to authorship, genuineness, origin, date, age, provenance, condition or estimated selling price involve matters of opinion. We undertake that any such opinion will be honestly and reasonably held and accept liability for opinions given negligently or fraudulently.

12.4 Please note that Lots (in particular second-hand Lots) are unlikely to be in perfect condition. Lots are sold 'as is' (i.e. as you see them at the time of the auction). Neither we nor the Seller accept any liability for the condition of second-hand Lots or for any condition issues affecting a Lot if such issues are included in the description of a Lot in the auction catalogue (or in any saleroom notice) and/ or which the inspection of a Lot by the Buyer ought to have revealed.

13. Deliberate Forgeries

13.1 You may return any Lot which is found to be a Deliberate Forgery to us within 30 days of the auction provided that you return the Lot to us in the same condition as when it was released to you, accompanied by a written statement identifying the Lot from the relevant catalogue description and a written statement of defects.

13.2 If we are reasonably satisfied that the Lot is a Deliberate Forgery we will refund the money paid by you for the Lot (including any Premium and applicable VAT) provided that if:

13.2.1 the catalogue description reflected the accepted view of experts as at the date of the auction; or

13.2.2 you personally are not able to transfer good and marketable title in the Lot to us, you will have no right to a refund under this Clause 13.2.

13.3 If you have sold the Lot to another person, we will only be liable to refund the price that you paid for the Lot. We will not be responsible for repaying any additional money you may have made from selling the Lot.

13.4 Your right to return a Lot that is a Deliberate Forgery does not affect your legal rights and is in addition to any other right or remedy provided by law or by these Terms of Sale.

14. Our liability to you

14.1 We will not be liable for any loss of opportunity or disappointment suffered as a result of participating in our auction.

14.2 In addition to the above, neither we nor the Seller shall be responsible to you and you shall not be responsible to the Seller or us for any other loss or damage that any of us suffer that is not a foreseeable result of any of us not complying with the Conditions of Business. Loss or damage is foreseeable if it is obvious that it will happen or if at the time of the sale of the Lot, we, you and the Seller knew it might happen.

14.3 Subject to Clause 14.4, if we are found to be liable to you for any reason (including, amongst others, if we are found to be negligent, in breach of contract or to have made a misrepresentation), our liability will be limited to the total purchase price paid by you to us for any Lot.

14.4 Notwithstanding the above, nothing in these Terms of Sale shall limit our liability (or that of our employees or agents) for:

14.4.1 death or personal injury resulting from negligence (as defined in the Unfair Contract Terms Act 1977);

14.4.2 fraudulent misrepresentation; or

14.4.3 any liability which cannot be excluded by law.

15. Notices

15.1 All notices between you and us regarding these Terms of Sale must be in writing and signed by or on behalf of the party giving it.

15.2 Any notice referred in Clause 15.1 may be given:

15.2.1 by delivering it by hand;

15.2.2 by first class pre-paid post or Recorded Delivery; or

15.2.3 by email, provided that receipt of the email is acknowledged by the recipient.

15.3.2 by email:

a. to us, by sending the notice to the following email address: auctions@sworder.co.uk

b. to you, by sending the notice to any email address that you have given to us as your contact email address in writing.

15.4 Notices will be deemed to have been received:

15.4.1 if delivered by hand, on the day of delivery;

15.4.2 if sent by first class pre-paid post or Recorded Delivery, two business days after posting, exclusive of the day of posting; or

15.4.3 if sent by email, at the time of transmission unless sent after 17.00 in the place of receipt in which case they will be deemed to have been received on the next business day in the place of receipt (provided that receipt is acknowledged by the recipient).

15.5 Any notice or communication given under these Terms of Sale will not be validly given if sent by fax, email, any form of messaging via social media or text message.

16. Data Protection

We will hold and process any personal data in relation to you in accordance with our current privacy policy, a copy of which is available on our website.

17.2 We act as an agent for our Sellers. The rights we have to claim against you for breach of these Terms of Sale may be used by either us, our employees or agents, or the Seller, its employees or agents, as appropriate. Other than as set out in this Clause, these Terms of Sale are between you and us and no other person will have any rights to enforce any of these Terms of Sale.

17.3 We may use special terms in the catalogue descriptions of particular Lots. You must read these terms carefully along with any glossary provided in our auction catalogues.

17.4 Each of the clauses of these Terms of Sale operates separately. If any court or relevant authority decides that any of them are unlawful, the remaining clauses will remain in full force and effect.

17.5 We may change these Terms of Sale from time to time, without notice to you. Please read these Terms of Sale carefully, as they may be different from the last time you read them.

17.6 Except as otherwise stated in these Terms of Sale, each of our rights and remedies are: (a) are in addition to and not exclusive of any other rights or remedies under these Terms of Sale or general law; and (b) may be waived only in writing and specifically.
