OUT OF THE ORDINARY

For those looking for something unique, Sworders Fine Art Auctioneers are holding its yearly two day Out of the Ordinary sale. On offer is a punk stag's head, a fortune-telling ball, fairground ostrich and this large garden trowel bird box with an estimated price of £500-£700. Mark Wilkinson, specialist in charge of the event, said: 'The Out of the Ordinary auction brings together some of the wackiest and more unusual items, it's one my favourites.' The sale runs from February 15-16.
